 - b) in a manner that in the opinion of the Council is or is likely to become:
 - i) a nuisance, or
 - ii) offensive to the occupier of a neighbouring property or a threat to the health of any person.
- 6.2 Clause 6.1 will apply regardless of whether a person has complied with other clauses in this bylaw.
- 6.3 Any person keeping an animal (other than cats or bees) must confine the animal within the boundaries of the property where the animal is usually kept.

- a) claiming the animal(s) as a domestic owned pet and keeping it in such a state as to abate any nuisance;
 - b) permanently removing (including disposal of) the animal so it no longer causes a nuisance to others; or
 - c) agreeing with the Council that the Council will remove the animal and the occupier will pay the Council's reasonable costs.

Note: animal rescue activities in the community are not prohibited unless they are conducted in such a way as to encourage stray or feral animals to cause nuisance. Where possible, Council will work proactively with the SPCA and other animal rescue organisations to ensure animal welfare requirements are met and all practicable options are explored when dealing with feral and stray animals.
