

Deemed permitted boundary activity

You have been identified as being a person affected by a boundary activity. The applicant (of a deemed permitted boundary activity) is required to obtain written approval from each owner of neighbouring properties with an infringed boundary.

Please ensure you fully understand the proposal before deciding whether to sign this form. You may need to ask for further information from the applicant.

There is no obligation to sign this form, and no reasons need to be given. Conditional written approvals cannot be accepted, and written approvals cannot be withdrawn once provided. If you do not sign this form, a resource consent may be required for the activity and you may have the opportunity to submit on the application.
